

Quaestiones Mathematicae

Instructions to Authors.

Submission of Manuscripts. Papers should be submitted to any one of the *editors*, preferably electronically via email. Hard copies submitted should be in triplicate.

Reprints. All reprints are distributed electronically in pdf format and authors will be notified by the publisher when reprints are available for download from the publisher's website.

Preparation of Manuscripts. Manuscripts will be typeset in L^AT_EX using the amsmath package of the American Mathematical Society. Authors will be invited to send their L^AT_EX-files prepared in the *article style* as soon as a paper has been accepted for publication. The manuscript should include:

1. Title, with a shortened running title if necessary.
2. Author's name: First name(s) or initials, surname.
3. Abstract of at most 20 lines.
4. 2000 Mathematics Subject Classification.
5. Key words and phrases.
6. References in the style of Mathematical Reviews.
7. Author's full postal address, including e-mail, if any.

Voorskrifte aan Outeurs

Voorlegging van Manuskripte. Artikels moet aan enigeen van die *redakteurs* voorgelê word, verkieslik elektronies via epos. Uitgedrukte kopieë moet in drievoud voorgelê word.

Oordrukke. Alle oordrukke word elektronies versprei in pdf-formaat en outeurs sal deur die uitgewer in kennis gestel word sodra oordrukke beskikbaar is om van die uitgewer se webblad afgelaai te word.

Vorbereiding van Manuskripte. Manuskripte sal in L^AT_EX geset word, gebruikmakend van die amsmath makro-stelsel van die AMS. Outeurs sal na aanvaarding van 'n artikel genooi word om 'n L^AT_EX-lêer, voorberei in die *article style* aan die redakteur te besorg. Die manuskrip moet die inligting, soos hierbo in punte 1–7 uiteengesit, bevat.
